

**GREAT LAKES INTERNATIONAL  
IMAGING AND FLOW CYTOMETRY  
ASSOCIATION, INC.**  
EIN# 16-1545169

January 26, 2010

Dear Exhibitors and Supporters:

A warm, “Hello” to our faithful supporters and a friendly “Welcome” to our newly interested vendors! Our 19<sup>th</sup> annual meeting will be returning to the city where GLIIFCA began – Detroit, Michigan. The meeting will take place **Friday, September 24 to Sunday, September 26, 2010 at the Detroit Marriott at the Renaissance Center, Detroit, MI, 48243**. We are in the process of introducing on-line registration and payment for the vendors. We ask for your patience during this process. For the benefit of new vendors, GLIIFCA presents a very busy weekend meeting targeted at young investigators, students, and technologists. The schedule includes vendor presentations, clinical and research presentations based on the use of flow and image cytometry, luncheon roundtable discussions, and poster presentations. Your financial support offsets the costs of this meeting for our attendees as well as provides awards for presentations and some financial help for travel. Your support is greatly appreciated!

GLIIFCA presents an Industrial Science Symposium on Friday evening, which provides vendors and exhibitors a forum to present new technology, instrumentation, etc. The presentations last approximately 20 minutes each. This has been a tremendous success thanks to your participation. Interested exhibitors are asked to submit an abstract. The abstracts will be reviewed and selected by the program committee. Please submit your abstracts via email by July 16, 2010 to me at the address below. With your abstract, please include the title, the presenter’s name, affiliation, phone number, fax number, and email address. The presenters of the selected abstracts will then be instructed as to how and to whom the final presentation should be sent.

Further information regarding the meeting will be forthcoming. I look forward to working with you and thank you for support. Please contact us if you have any questions or please visit our website at [www.gliifca.org](http://www.gliifca.org).

Respectfully,

Karen Domenico  
GLIIFCA Vendor Liaison
