2. The Industrial Science Symposium will take place Friday evening, September 30. This session is intended to provide you, our vendors and exhibitors a forum to present new technology, instrumentation, etc. Each presentation should last approximately 20 minutes. Interested exhibitors are asked to submit an abstract. The abstracts will be reviewed and selected. Please submit your abstracts via email by **July 22, 2011** to the addresses below. With your abstract, please include the title, the presenter's name, affiliation, phone number, and email address. The presenters of the selected abstracts will then be instructed as to how and to whom the final presentation should be sent.
3. GLIIFCA is now on Facebook! Look for our page!
4. Once again, per your request, GLIIFCA will be selling extra drink tickets to you, our exhibitors, at the registration table. Please use cash or a check to make your purchase. The tickets may be distributed, at your discretion, to your visitors.

Further information regarding the meeting will be forthcoming. As always, your generous support is greatly appreciated. We look forward to working with you. Please contact us if you have any questions or please visit our website at www.gliifca.org for updated meeting information.
